OUR MISSION
At Crossroads of Southern Nevada our Mission is to welcome all and to provide quality, evidence-based Behavioral Health Care to all who are in need, regardless of the ability to pay. We strive and are proud to be a community resource and safe haven. We partner with the Las Vegas First Responders and act as the reliable Drop-Off Center, accepting men and women in crisis caused by addiction and mental health challenges. Our trained, compassionate and diverse team is prepared to assess and engage each and every patient with a person-centered, individualized treatment plan. We are solidly grounded in recovery and are dedicated to providing a full continuity of care. We offer Medical Detoxification, Housing, Case Management and an array of Outpatient Treatment Services including Medication Assisted Treatment with an aim towards abstinence.

OUR CORE VALUES
Quality
We strive to improve the quality of life of each person we serve by addressing their socio-economic, physical and emotional needs

Innovation
Revolutionary standards and style of patient care

Empathy
Professionalism and compassion are exercised at the highest level

Respect
Treating all individuals with respect, recognition and dignity
OUR PROGRAMS

Clinical & Medical Triage Assessment
Our Triage professionals offer mental health crisis intervention, assessment for the possible application/removal of legal holds, and the ability to receive patients directly from first responders such as law-enforcement or EMS units.

Medical Detox & Crisis Stabilization
We offer medical detox and inpatient treatment for Substance Use Disorder, a mental health observation and a stabilization unit for those not needing a legal hold.

Substance Use Treatment & Transitional Housing
75-90 day transitional housing for active clients involved in treatment such as:
- RTC - Veterans Residential
- PHP - Partial Hospitalization Program
- IOP - Intensive Outpatient Program
- OP - Outpatient Program
